ABOUT US

Creating Countless Magical Moments since 2016, we provide the UK's finest entertainment. Through innovative ideas, loveable hosts and a unique spin on classic shows we supply hundreds of events every year up and down the UK.

We've hosted the country's most attended Quiz Night and the most talked about Bottomless Brunch, to the very best Oktoberfests and hundreds of unforgettable Bingo nights; Not Your Average Entertainment leads the way with customer satisfaction and sell-out events.

With our fully tailored packages to suit your business, budget and brand, whether you're planning local weekly entertainment, a large corporate party or a mainstream national event we can help.

Continuously growing and adding to the brand, in 2019 we added Not Your Average DJ Agency, supplying talented, experienced and carefully vetted DJs to bars and nightclubs, festivals, weddings, corporate events, hotels, holiday resorts and more. Whether you're looking for Rnb, Cheese or House, as a new weekly resident or as a one off and with or without equipment we have the perfect solution.
